REMARKS

Applicants elect, with traverse, Group I, defined by claims 1-34 and 61-89 and the species B as set forth in the Office Action, which includes claims 4-12, 16-24, 29-34, and 61-89.

Accordingly, please withdraw claims 1-3, 13-15, and 25-28 from consideration and please cancel claims 35-60 and claims 90-120 without prejudice or disclaimer as to the subject matter thereof.

Applicants herewith amend claims 4, 16, and 29 to incorporate the limitations of the (withdrawn) parent claim thereof, respectively, such that the pending claims are now all directed to the Species B of the Group I invention.

The traversal is based on applicants' understanding that there is no undue burden imposed on the Examiner to examine the subject application as originally filed.

Respectfully submitted,

Date: 2 June 2006
